Raphael Tuck & Sons'

ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

The Upper Harbour. Whitby, a popular watering-place on the East Yorkshire coast, possesses an excellent harbour formed by the estuary of the River Esk. This is defended from the violence of the sea by two piers, each of which has a lighthouse on its outer extremity. The harbour is chiefly used by fishing boats and other craft of sufficiently small draught to negotiate the somewhat shallow waters of the haven.

Whitby.
How do you
like this place
We are having a
splendid time &
quite exciting with
Aeroplanes, airships
Soldiers etc.
